'Swallows and Amazons for ever!

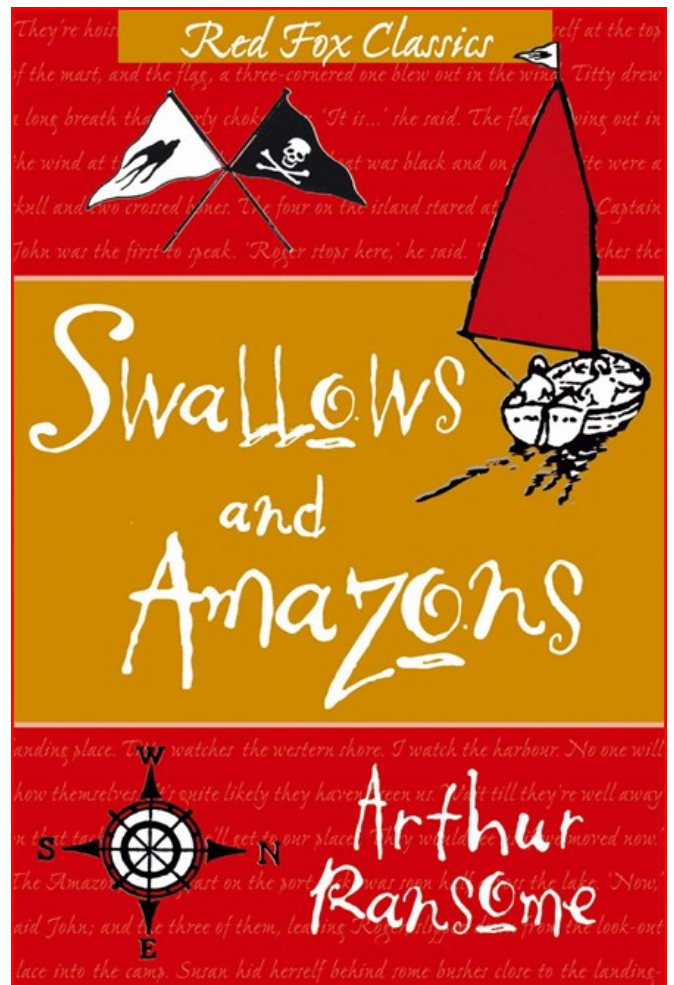

The Walker children - also known as Captain John, Mate Susan, Able-Seaman Titty, and Ship's Boy Roger - set sail on the Swallow and head for the deserted Wild Cat Island for a summer camping trip.

There they camp under open skies, swim in clear water and go fishing for their dinner.

Exploring and playing sailors is an adventure in itself but the island holds more excitement in store.

Two fierce Amazon Pirates, the Blackett sisters Nancy and Peggy, challenge them to war and a summer of battles and alliances ensues.

The Swallows and Amazons decide to battle it out, and so begins a summer of unforgettable discoveries and incredible adventures.
