Jumping out of your TV and into comics comes "Batman: The Brave and the Bold".

Featuring stories from the TV series, this story sees The Caped Crusader team up with other heroes which include; Green Arrow, Plastic Man, Blue Beetle, Aquaman and many others.

Batman and his allies tangle with the Time Lord, save the world's children from the Queen of Fables and, in a strange twist, Batman becomes President of the United States.

This book is one of six thrilling issues in this collection.
