**Week Commencing 19 December**

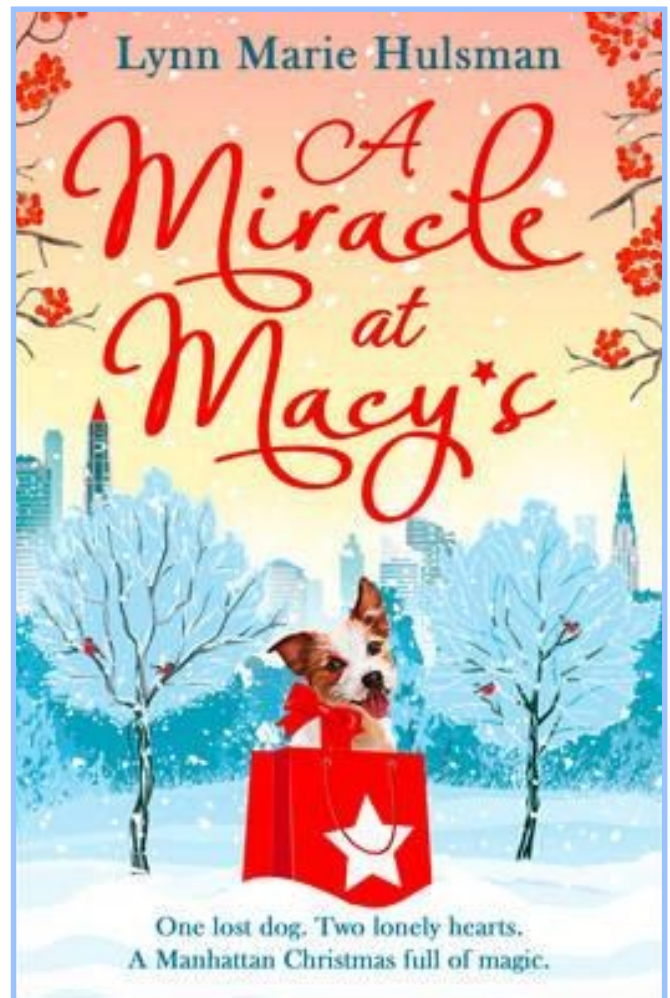

Shy, Charlotte is planning her usual quiet Christmas celebration: Turkey for two for her and her beloved pet dog Hudson.

Only, this year, little Hudson decides to take matters into his own paws and give his favourite human a holiday adventure she'll never forget.

When Hudson runs away the week before Christmas, Charlotte is devastated. She'd rescued him from the trash years before and gave him a place in her home - and her heart.

But with the help of uptight Englishman Henry, Charlotte ends up on a magical treasure hunt around Manhattan to find her furry, four-legged bestie.

Spotted in Central Park as one of Santa's Little Helpers, or last seen in the arms of a supermodel in Times Square, Hudson leads Charlotte and Henry on a very merry dance around the Big Apple, where love, (or should that be Christmas) actually is all around.
