'The real-life children's fairy tale book so inspiring adults are reading it'

What if the princess didn't marry Prince Charming but instead went on to be an astronaut?

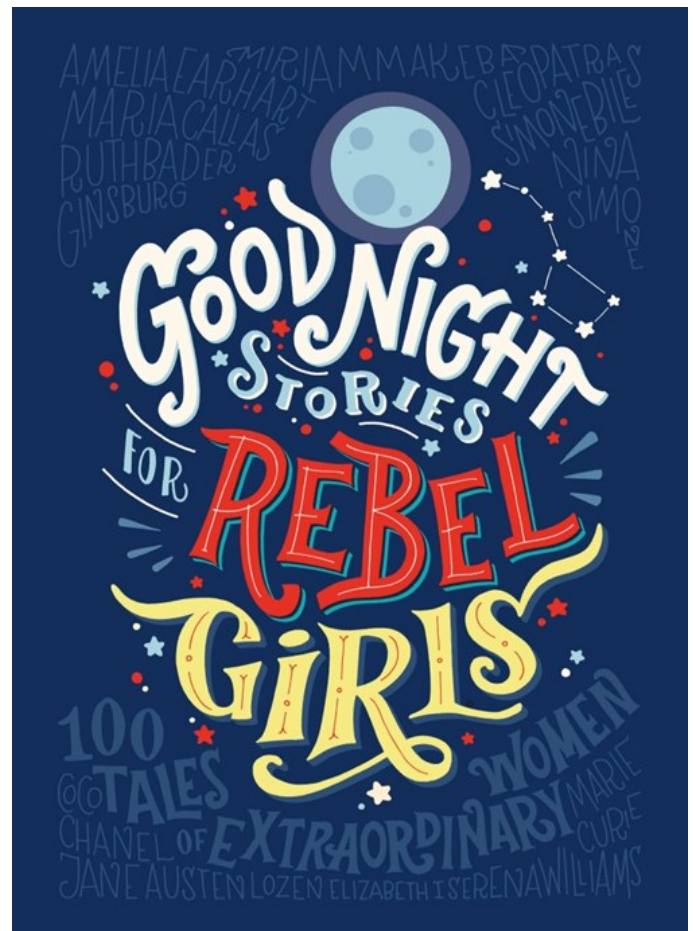

What if the jealous step sisters were supportive and kind?

And what if the queen was the one really in charge of the kingdom?

Illustrated by sixty female artists from every corner of the globe, Good Night Stories for Rebel Girls introduces us to one hundred remarkable women and their extraordinary lives, from Ada Lovelace to Malala, Amelia Earhart to Michelle Obama.

Empowering, moving and inspirational, these are true fairy tales for heroines who definitely don't need rescuing.

This book encourages us to aim high and fulfil our dreams and not be deterred by adversity or convention.
