How To Speak Emoji By Fred Benenson Recommended by Emma Cousins

Week Commencing 16 January

For anyone who doesn't know a smiley from a big red heart, a thumbs-up from a toilet symbol, this is the first book that will teach you How To Speak Emoji.

With a collection of useful phrases and a handy dictionary to demonstrate what the emojis really mean, you'll never feel out of your depth again - or make the embarrassing mistake of putting an aubergine symbol next to a peach.

Including sections like: everyday greetings, in the workplace, in relationships and asking for help and directions, as well as how to translate song titles and film quotes, this is your complete guide to the bright new world of the emoji.
