Whether you're in Creative, Survival or Hardcore Mode, the Minecraft books contain all the advice you need to survive and thrive!

Every Minecrafters journey should begin with the Minecraft Beginner's Handbook, your indispensable guide to conquering the Overworld.

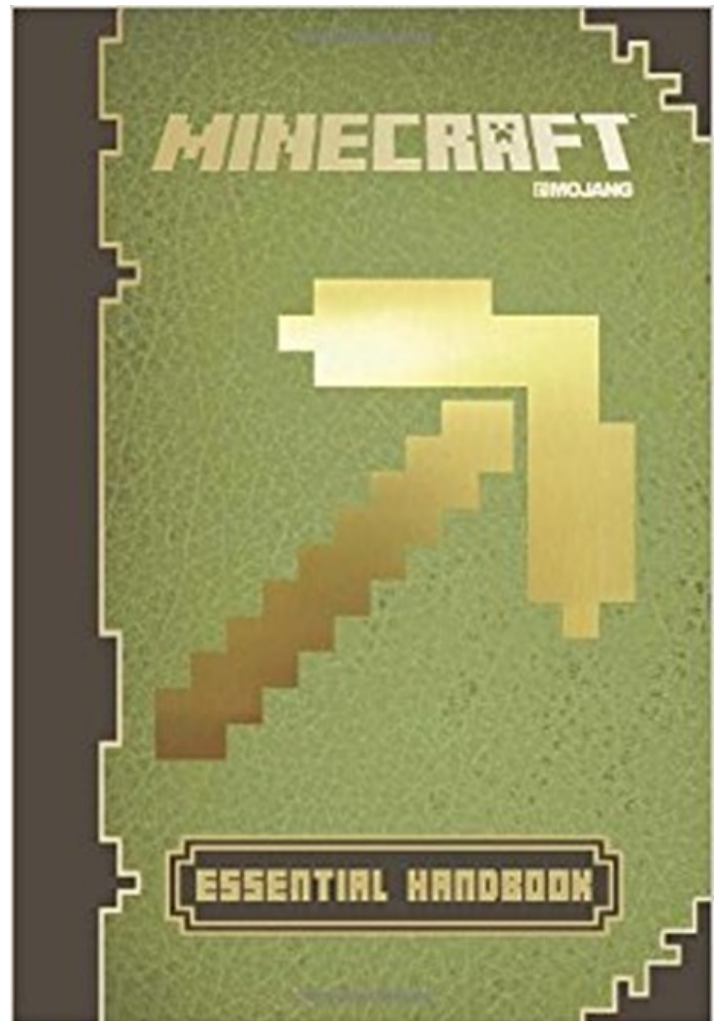

With only ten minutes of daylight you will need to find all the resources you can before darkness falls, the monsters will come looking for you.

But never fear - this Handbook will teach you how to protect yourself from monsters.

You'll also get practical advice on how to find resources, make a bed, and mine for rare ores.

It also includes exclusive interviews with Minecraft creator Notch and developer Jens Bergensten.

In the perilous world of Minecraft, this Handbook might just save your life!
