The Friends of Ripley St Thomas Newsletter

February 2018

Hello to all parents/guardians and welcome to our first newsletter of 2018. We have a great fundraiser that we are holding Tuesday 15 May - an Auction of Promises. The last one was held in 2009 so most of you will be new to this event. We were very fortunate at the last auction to have over 150 lots! Let's see if we can equal that amount again.

We are in the process of contacting businesses, locally and beyond, asking if they are able to donate. We are also hoping for donations from you, our parents/guardians. Could you buy a voucher? Do you have a favourite hairdresser/restaurant/gym you could ask? Can your place of work help? Do you have hobbies you can share? The list, as you can imagine, is endless!

Below, please find a slip that you could complete and return to the Friends' Box in the dining room. We can then make contact on your behalf if this is helpful. We have already been promised half a salt marsh lamb - can you beat that? You can contact The Friends by emailing us at friends@ripley.lancs.sch.uk or ring 07762617143.

Please support us with this event - remember everything we do, we do for your children.

Thank you.

Dates for your diary
