5<sup>th</sup> February 2018

Dear Parent/Guardian

## Options Evening: Thursday 1<sup>st</sup> March 2018

You are warmly invited to attend our Year 8 Options Evening. This is an opportunity for you and your child to think about subject choices at Key Stage 4. Up to the end of Year 8, pupils have had very little choice about what subjects they study. As they prepare to embark on Key Stage 4 they have some important decisions to make. Pupils are required to study most subjects to GCSE level, but they are able to make some choices.

To assist you in making these choices we are holding our Options Evening on **Thursday 1<sup>st</sup> March from 6.30pm**. There will be two presentations in the Phythian lecture theatre (Sixth Form Centre) which will go over the options process, what choices are available and how to complete the options form. The first presentation is for registration groups 8Rosbottom, 8Price, 8Walsh, 8Henderson and 8Baker at 6.30pm. The second presentation is for registration groups 8Teder, 8Douglas, 8Brown, 8Barnes and 8Thompson at 7.15pm.

Whilst the main presentations are happening in the Phythian lecture theatre, subject staff will be making presentations in other sixth form rooms about their subject areas. The option subjects making presentations include Art, Business, Computer Science, Design & Technology, Drama, Food Preparation & Nutrition, French, Geography, History, Land Based Science, Music, Physical Education (GCSE), Separate Sciences and Spanish.

You should consider carefully with your child which presentations you wish to listen to in advance of the evening. A programme listing the evening's arrangements will be available on arrival.

Yours sincerely

I G Gomersall  
Director of Operations
