September 2017

Dear Parent/Guardian,

Science Revision Guides

To support your son/daughter's learning in science we are offering revision guides for sale. The revision guides are from CGP and can also be purchased in the shops, however at a greater cost.

If you wish to order your son/daughter a revision guide from school this can be done in two ways:

1. Order and pay online via the school website.
2. Complete the attached form and return it to the blue box outside learning support along with cash payment (**please note we are no longer able to accept cheques**).

Your son/daughter's teacher will help explain which books are relevant to them.

The deadline for receipt of orders and payment is Friday 29 September 2017.

If you have any questions please ask your son/daughter to ask their class teacher in the first instance.

These books have been offered for sale in previous years and so it may be the case that your son/daughter have already purchased the relevant books.

Yours sincerely

Mrs R Harding
Second in Science
