February 2018

Dear Parents,

Year 8 Parents' Consultation Evening, Thursday 8 March 2018

We hope you will be able to attend the above event which will run from 5pm until 8pm. It is important that you attend so that we can give you information about how your son/daughter is progressing.

An appointments system will be used during the evening and we would ask that you make sure you leave yourself sufficient "travel time" in between appointments.

When making appointments may we suggest that you prioritise the core subject appointments (Maths, Science and English) and the subjects which your son/daughter may choose as an option subject?

Parents are now able to book appointments via the school's Portal with the teachers they wish to see. Please refer to the attached instructions.

On arrival at school, please sign in alongside your son's/daughter's name on his/her Form list located on one of the tables outside the Chaplaincy Room.

Our availability during the evening will be limited as we both teach classes in the Year Group. Therefore if you wish to discuss any issues with either of us, please make contact via ParentLine to arrange a suitable appointment on another day. Alternatively, Mr Farnfield (Year 8 Assistant Progress Leader) will be available for "drop in" appointments during the evening.

Yours sincerely

Miss Robertson and Miss Walsh
