Dear Parents and Year 9 pupils,

I have been working alongside Mrs Kath Fox, Ripley school nurse, to organise for all year 9 pupils to complete a new health questionnaire. The purpose is to enable both the school nurse service and school to identify any individuals with particular needs and for school to plan our PSHE curriculum to best suit the needs of the year group. I am attaching a letter for both parents and pupils and a privacy notice to explain a little further and to reassure everyone about confidentiality. Mrs Fox has spoken in assembly today to explain to the pupils.

The questionnaire is accessed electronically. It will be arranged for pupils to complete it on our forthcoming PSHE day on 16 October 2017. If you have any queries please contact the school nurse service on the number at the bottom of the attached letters.

This is a new initiative. I am hopeful it will prove beneficial for us to support both individuals and address relevant topics through our PSHE curriculum.
