20 April 2018

Dear Parents/Carers,

We are approaching a pivotal point in the Year 11's time at Ripley. Formal GCSE examinations have begun and I know many students spent much of their time over Easter revising.

The Easter mocks have given students an opportunity to reflect on their subject knowledge and structuring of answers and in light of this, many students are feeling much more confident in their ability. I would request that you guide your son/daughter in their revision at home and encourage them to explore the amazing support which is offered by their teachers.

I would like to remind you that we have a Study Room available for the Year 11s. On Week 1, this will run from Tuesday to Friday, 3:05 till 4:30 and Week 2, Wednesday and Friday, 3:05 till 4:30. A member of staff will be available to supervise and students will be expected to bring independent study work. This is a great opportunity for students to have quiet space to focus on their revision and I hope many students will utilise this resource.

On Tuesday at lunchtime and after school, Mrs Price will be running study skills support sessions. This is open to all pupils and will be in F3.

I have taken this opportunity to attach the revision session timetable. The amount of support which is on offer to the Year 11s is wonderful and I know that many students are accessing this extra support. Please can I ask that you encourage your son/daughter to attend as many of these as possible at such a critical point in their education.

The timetable and extra subject resources are still available on Firefly. To access Firefly students should visit the school website and select the link from the menu at the top. When accessing Firefly from home students will be requested to log in; they should use the same details as those used in school to log into a computer. To access the document they need to select Resources/Subjects/Year 11, then select Subject Support from the menu.

I wish all students good luck in their examinations, with thorough revision and preparation I am sure they will be successful.

Yours faithfully,

Mrs L Duckworth
Progress Leader Year 11
