Tuesday, 1 May 18

Dear Parents / Guardians,

Year 7 Parents' Consultation Evening, Thursday 10 May 2018

I hope you will be able to attend the above event which will run from 5pm until 8pm. It is important that you attend so that teachers can give you information about how your son/daughter is progressing. I would also like to invite all Year 7 pupils to attend as I feel it is important for them to hear first-hand what their teachers have to say about their progress.

An appointments system will be used during the evening and we would ask that you make sure you leave yourself sufficient "travel time" in between appointments.

When making appointments may we suggest that you prioritise the core subject appointments (Maths, Science and English) followed by the subjects which your son/daughter expresses particular interest in and therefore may choose as an option subject next year.

Parents book appointments themselves via the School Portal with the teachers they wish to see. Please refer to the attached instructions.

On arrival at school, please sign in alongside your child's name on his/her Form list located on one of the tables outside The Hub (Chaplaincy Room).

Whilst I will be there on the evening, I won't be available to take appointments. However, if you have any concerns/worries about your child's progress then please contact me via ParentLine which you are able to access via the school web site.

I look forward to seeing and meeting you on the evening.

Yours sincerely

Mrs R Burr
Progress Leader Year 7
