Dear Parent/Guardian

**2018 Call, Push, Rescue Training
Monday 22 January 2018 3.30pm to 4.30pm in the School Hall**

During this first aid course students will receive training on Recovery position and CPR from myself and other experienced staff, along with the aid of training videos. Students will receive a certificate upon successful completion of the course.

If your child would like to attend please ensure that the tear off slip at the bottom of this letter is completed and returned to the blue box outside Learning Support by Wednesday 10 January at the latest.

This training is being offered on a first come first served basis as we only have limited places per session. If your child is not successful in gaining a place on the first course, their name may be put down on a waiting list for a future session.

Please do not hesitate to contact me if any further information is required.

Yours sincerely

Ms S Atkinson
Medical Assistant
