

SUMMER CHALLENGE

Name: Form:

To complete this challenge, you need to read the book that you were gifted on your transition day. Then, complete a column of tasks on the **CUBIO** card. You must include a task from each row and complete a minimum of three tasks in total.

Be prepared to give a presentation about your book to your form tutor and your tutor group in your first fortnight as a Ripley St Thomas pupil.

Awards will be given to all who complete a **CUBIO** line – and special prizes will be given to pupils who really impress us with their presentations.

Create a colourful poster advertising the book to your peers	Draw a picture of your favourite scene in the book	Design a new front cover for your book
Write a new blurb for the back of your book	Write a letter to your form tutor telling them all about your book	Imagine the author of your book was going to write a sequel. Write a summary of what could happen in their next book
Prepare a short presentation about your book that you will give to your form tutor and tutor group in your first fortnight at Ripley. Feel free to show off the amazing artwork and written work you have prepared! Feel free to show off the amazing artwork and written work you have prepared!

What should I include in my presentation? You could talk about what happens in the book, your favourite characters, what you liked and disliked or who you would recommend the book to. Remember to bring along your artwork and written pieces to show us too.
