Dear Parent/Guardian,

GCSE Mathematics Exam Revision Packs

As part of their GCSE mathematics revision, our Year 11 pupils are strongly encouraged to buy a pack of GCSE Mathematics Exam Papers. These packs cost £10 and consist of a mixture of previous exam papers and questions plus topic tests, to help prepare pupils for the mathematics exams.

These packs are an excellent resource for your child's revision and pupils will be using them extensively both in class and at home. The papers are the most effective way for pupils to revise for their GCSE maths exams and as such, we recommend that each pupil purchases their own set so that he/she can write directly on them.

To purchase an exam revision pack, please complete the attached form. The preferred method of payment is online at www.scopay.com/ripley using your personal login details from the letter issued to pupils. Alternatively, you may wish to pay by cash. The slip, along with any cash payment should be placed in a sealed envelope clearly labelled with 'GCSE Maths Exam Revision Pack' and your child's name, and posted in the blue box outside Learning Support.

Please be advised that the deadline for ordering packs is Monday 12th October.

Yours faithfully,

Miss H Turley
Assistant Subject Leader – KS4, Mathematics
