Adventure! Drama! Danger!

Life is good for Buck in Santa Clara Valley, where he spends his days eating and sleeping in the golden sunshine.

But one day a treacherous act of betrayal leads to his kidnap and is taken away to work in the frozen north as a sledge dog, in the harsh and freezing cold Yukon.

Buck is forced into a life of toil and danger where he faces a harsh fight for survival.

But as his primal instincts reawaken, how long can he resist the call of the wild?

Can he rise above his enemies and become the master of his realm once again?
