November 2020

Dear Parent/Guardian

MFL Revision Resources

Ahead of the Year 11 assessment fortnight, we would like to remind you of the revision resources available for your child in preparation for their GCSE French and Spanish exams. As discussed at Parents' Evening it is vital that your child is regularly revising vocabulary and doing exam practice at home. They all have access to a variety of resources including: work in their exercise books, text book, revision booklets from class, revision guides/cards (if purchased). All pupils should also have access to Firefly and ActiveLearn which both have a wealth of support for revision which is updated frequently. Many pupils also have Quizlet accounts where they can practise lots of the vocabulary that we are covering in class.

GCSE Specification Vocabulary

As mentioned at Parents' Evening, all Year 11 pupils have been given a revision pack with a full print out of the GCSE specification vocabulary in addition to other resources to aid their revision. In light of the school closures this year, the exam board are only going to be using vocabulary from the specification lists in the reading and listening papers. Therefore, the more words that pupils are familiar with, the better. All Year 11 groups are doing regular vocabulary tests in lessons and we would appreciate your support with testing and helping your child to learn this vocabulary.

I am attaching an electronic copy of the AQA specification vocabulary lists to this letter in addition to an Excel sheet for each language where your child can test themselves.

Please don't hesitate to contact me should you require any further information. Thank you for your on-going support with your child and their language GCSE.

Yours faithfully

Mrs K Potter
Subject Leader, MFL
