The Christmasaurus and the Winter Witch by Tom Fletcher

Recommended by
Tobias S

Week Commencing 14 December

'She is the best-kept Christmas secret of all,' whispered Santa Claus.

She is older than time itself and so powerful that Christmas itself would not exist without her. Yet she is known only as the Winter Witch.

A year has passed since a boy named William Trundle had an incredible adventure with the most extraordinary dinosaur: the Christmasaurus.

Now, William is about to be swept back to the North Pole and meet the icy, mysterious and magical Winter Witch, whose power to control time allows Santa to travel all around the world on Christmas Eve.

And when William learns that the fate of Christmas hangs in the balance, he and the Christmasaurus must risk everything to save it . . .
