## The Fourth Closet By Scott Cawthon Recommended by Daisy M

Week Commencing 7 December

What really happened to Charlie?

It's the question that John can't seem to shake, along with the nightmares of Charlie's seeming death and miraculous reappearance.

John just wants to forget the whole terrifying saga of Freddy Fazbear's Pizza, but the past isn't so easily buried.

Almost twelve years after the horrific murders at Freddy's, there's a new animatronic pizzeria opening in Hurricane, along with new rash of kidnappings that feel all too familiar.

Bound together by their childhood loss, John reluctantly teams up with Jessica, Marla, and Carlton to solve the case and find the missing children.

Along the way, they'll unravel the twisted mystery of what really happened to Charlie, and the haunting legacy of her father's creations.
