

Accessing Firefly Parent Portal

To access firefly from home you need to visit the following web address:

<https://ripley.fireflycloud.net> (alternatively you can click on the link from the school website). You will then be directed to the following page:

Click on the green icon 'logging in for the first time? Activate your account'.

You will then be directed to a new page:

To activate your account enter the primary email address that you have provided as contact for the school.

Check your mailbox!

An e-mail with details of how to access your account has been sent to your registered address.

You should be directed to a message that asks you to check your mailbox. To complete the activation, login to your email account and complete the registration process by following the email instructions. Please be aware that this link will time out if you do not activate the account within a certain time limit.

Once you have registered your account return to the homepage: <https://ripley.fireflycloud.net>

Log in with your details and view your child's tasks by clicking on their profile picture and name.

If you have any issues with Firefly Parent Portal please contact Mr Cairns via Parentline.

The new 'Firefly for Parents' app is available to download from the Google Play and Apple App stores. Once the app has been downloaded you will need to enter the school code which is: [ripley](#)
