Dear Parents/Guardians,

Parent Voice – Remote Learning

I hope that you are keeping well in these unusual times. Firstly, can I begin by thanking you for the support and guidance that you are providing at home as our pupils adjust, again, to working at home.

Since the first lockdown in 2020 we have made changes to the structure of remote learning, most notably the introduction of live lessons. We constantly review the arrangements to ensure that we are providing a good standard of education to pupils, and supporting them, where possible. To support this review process we would be grateful if you could complete the survey linked below. It should take no longer than 10 minutes and will help us to continue to improve our systems.

The survey will close on Wednesday 3 February 2021.

Kind regards,

Mrs H Best
