Week Commencing 10 May

An enormous escaped rhinoceros from London Zoo has eaten James's parents.

And it gets worse!

James is packed off to live with his two really horrible aunts, Sponge and Spiker.

Aunt Sponge is enormously fat with a face that looks boiled and Aunt Spiker is bony and screeching.

He's very lonely until one day something peculiar happens. . .

At the end of the garden a peach starts to grow and GROW AND GROW.

Inside that peach are seven very unusual insects - all waiting to take James on a magical adventure.

But where will they go in their GIANT PEACH, and what will happen to the horrible aunts if they stand in their way?

There's only one way to find out . . . and James finds himself on the most wonderful and extraordinary journey he could ever imagine.
