17 May 2021

Dear Parent or Carer,

Further to our communication with you over the weekend informing you of a positive home lateral flow test in Year 8, we now have the result of the confirmatory PCR laboratory test. This test has come back negative and in line with government guidance, we can accept this as the definitive result.

This means that any Year 8 pupils who were contacted and asked to self-isolate can end their isolation immediately and return to school as normal, provided they have no symptoms themselves. Pupils affected have been contacted directly.

Year 11 and Year 13 pupils who are isolating must continue to do so in line with my previous communications.

Yours sincerely,

A handwritten signature in black ink that reads "C Walmsley".

Mrs C Walmsley
Principal
