- Computing

— **SENA** LAW STUDENT —

"RE provides an excellent platform for debate, which is a key skill that has helped me study law"

— **LILLIE** RECIPE DEVELOPER —

"RE helped me learn to question things. It makes you think about what's right for you and it helps give you a voice"

Director of Operations:
“I lead a team of 300 people and RS skills have helped me to set a culture of tolerance and fairness in how we work with one another and the communities we serve. RS has also helped me to present convincing arguments in order to bid for extra funding to help vulnerable people.”

Sales:
“My study of Divinity gives me a competitive edge because I understand people and their customs. In practice, I deal with Sharia Law-compliant finance products for Muslim customers and have a prayer room available for them on the sales premises.”

Police Officer:
“The RS skills I gained include tolerance and respect; important qualities in police work, and the critical thinking skills I learned allow me to consider different or conflicting views in an open-minded and fair way.”

Lawyer:
“My degree in philosophy required me to develop skills in critical thinking and analysis. This helps me to argue cases effectively, to use good questioning techniques and to see both sides of an argument.”

Catering Manager:
“Food and fasting are important aspects of most religions and in order to ensure an inclusive environment where no-one is offended, I understand the important dietary laws really well”
