## Week Commencing 12 July

Five old friends, one dangerous new enemy... and a voice from beyond the grave!

Decimus Rex may have escaped slavery, but he cannot escape his destiny - the Insane Fury.

But Decimus has been badly wounded and so Gladius goes in search of help.

The friends must return to the Winter Palace and try to rescue but there is more than one surprise in store.

Once again they are all embroiled in a battle of life and death.

Will they be cut down by their new enemy, or will they fight together and take a final stand against the evil Slavious Doom?
