Dear Parents/Carers,

Year 9 Maths Intervention

I am writing to inform you that your child has been selected to participate in Maths intervention sessions. This support will take place during registration time every **Tuesday and Friday** until Christmas, when progress will be reviewed.

Intervention topics are individual to your child, taking account of his/her development areas and underpinning the learning taking place in timetabled Maths lessons. Please could I ask you to encourage your child to attend Room 15 promptly on these mornings to take full advantage of the support being offered in these sessions.

Thank you for your continued support.

Kind Regards,

Miss Turley

Assistant Subject leader – Mathematics KS3
