Football Boots for PE lessons

Dear Parents/Carers

We have recently redesigned our KS3 PE curriculum to provide a greater breadth of activities and opportunities for both boys and girls at Ripley.

From the start of this term until Easter, all pupils will have the opportunity to access the following activities: Football, Rugby, Health Related Fitness, Dance, Swimming, Badminton and Netball or Handball.

Due to the rotation of activities, pupils will cover these activities at different times of the year and conditions for some activities will differ. This new, progressive curriculum means that pupils will continue to build on their knowledge, skills and experiences each year, through KS3 and into KS4. Footwear and equipment will often be used for more than one activity. All activities on the curriculum are covered by kit and equipment as outlined on page 3 of the Uniform and Appearance policy on the website:

To ensure that your child is able to access all lessons and maximise their learning, please can you check that they have and bring the correct equipment for lessons including the required footwear for the activity, e.g. football boots.

If you have any questions, please contact me via Parentline.

Yours faithfully,

J Quarry
Subject Leader for Physical Education
Assistant Principal - Behaviour and Personal Development
