Week Commencing 4 January

When Agnes made a promise to her girlfriend Ellie, she thought they would be together forever.

One year later, Agnes is keeping that promise and it's put her in a situation she never could have predicted.

Climbing a desolate mountain, in miserable weather, with Ellie and her new boyfriend Steve.

But then the weather takes a threatening turn.

The sky-high tension between the trio hits its peak.

Agnes will have to push herself further than she ever thought was possible...

A gripping and moving story of love, loss and finding yourself.
