Dear Parents/Carers,

Y11 GCSE Exam Revision Bag

Year 11 students have been working very hard in Maths over the past few weeks. As you know, students recently completed their second mock exam and lessons are now focused on revising key topics for their Maths GCSE in May.

To encourage Easter revision, your child will be coming home on Thursday with a 'Revision Bag' which contains some essential stationery items and a small packet of sweets as well as a pupil-adapted formulae sheet, useful website details, GCSE flashcards and other handouts which we hope will inspire them to revise over the Easter break.

On the front of the bag is a shopping list of equipment which each child will need for their GCSE exams; if your child does not already own these items, please can these be purchased in time for their return to school on 19th April.

If your child has not already drawn up a revision timetable, your help in encouraging them to do this and take a close look at the content of the Revision Bag would be much appreciated. The bag also contains an exam paper which should be completed alongside their independent revision as an Easter homework exercise, to be handed in on Wednesday 20th April.

Thank you for your continued support and wishing you a lovely Easter break.

Kind regards,

Miss K Morphet
Assistant Subject Leader, KS4 Mathematics
