Week Commencing 23 May

Hounded by the First Order across the galaxy, the Resistance is in dire need of ships, weapons and recruits to make a final stand against Kylo Ren's forces.

Desperation drives a delegation led by General Leia Organa and Rey to entreat the Rebel veteran's one-time allies, The Mon Calamari, to join the fight.

But decades after Imperial occupation enslaved their planet, there are those willing to stop at nothing to prevent another war from bloodying the waters of Mon Cala.

A system away, Poe Dameron and Finn have their own mission: to hunt down a weapons cache on the remote moon of Avedot, unaware that they are being hunted by the most notorious criminal gang in the galaxy!
