But now it's total monster zombie chaos and I'm battling beasts on a daily basis.

Crazy, right?

But I know exactly how to make it through the zombie apocalypse.' Meet Jack Sullivan, self-described as a late-blooming, slow-developing 13-year-old who has so far survived the zombie apocalypse by hiding out in his treehouse.

Overnight Jack's life has become like the plot of a video game and he has come up with his own ultimate feats of apocalyptic success:

Locate Quint Baker, best friend and inventor.

Find and rescue June Del Toro.

Defeat Blarg, the biggest, baddest monster in town.

Become a zombie-fighting, monster-bashing tornado of cool!

The Simpsons meets The Walking Dead in the first book of a hilarious new monster adventure series.
