13th May 2022

Dear Parents/Guardians,

Further to my recent letter outlining details concerning study leave, special consideration and revision, please find below an overview timetable of all the GCSE exams for parents' reference, as well as information on the breakfast revision sessions being provided to Year 11 pupils in the coming weeks.

These revision sessions will be held before or after a free breakfast for pupils prior to a morning examination to help calm exam nerves and provide some last-minute guidance. The revision will be held in the locations shown below.

The breakfast will be available in the canteen from 8.30am on each specified day (apart from when Spanish are holding revision).

Prior to study leave commencing, pupils must attend registration in form at 8.45am unless their revision session is being held during form time (alternative registration shown below).

A final revision session for Maths will be available during period 4 on the 10th June in pupils' usual Maths classrooms. This is after study leave has commenced but pupils are encouraged

Believe.....

to attend if they are not in the PE exam that afternoon (pupils will be in school for their English exam in the morning so are welcome to stay in school in the canteen over lunch).

In addition to the availability of the study room from 3.05pm-4.05pm on Tuesdays, Wednesdays and Thursdays throughout the exam period, there will be a **supervised quiet study space with computers available in the Sixth Form during the Monday, Tuesday and Wednesday of half term**. This will be open from 9.00am to 3.00pm for all Year 11 and 13 pupils who wish to do some quiet revision in a different environment. Pupils will not need to wear school uniform but will need to **wear their lanyard and sign in at Sixth Form reception**. They can attend for any period of time on any of the days.

Yours sincerely,

Mr E Goddard
Vice Principal
