Week Commencing 16 September

When Elliot wishes upon a star, he doesn't expect a constellation to crash into a dungheap on his family farm.

The star is Virgo.

She thinks she's perfect. Elliot doesn't.

And together they release Thanatos, evil Daemon of Death ... epic fail.

They need the King of the Gods and his noble steed.

Instead, they get a chubby Zeus and his high horse Pegasus.

Are the Gods really ready to save the world?

And is the world really ready for the Gods?
