Week Commencing 16 January

Alex Rider needs to discover the truth about his past.

Still reeling from the discovery he made about his father, he is determined to find out more.

He travels to Italy where he manages to infiltrate the world of the beautiful Claudia Rothman - a member of the criminal organization known as Scorpia.

But Alex must make a choice... work for MI6 once more, or betray everything he believes in.

This is the fifth deadly mission in the number one bestselling teenage spy series.
