Dear parents/carers,

As part of a wider programme of encouraging language learning across the curriculum, we are excited to be able to launch our Language Cookery Club. Pupils will cook dishes from both Francophone and Hispanic countries using recipes in the target language. This will enhance not only language skills, but will give pupils the opportunity to learn about different cultures and build on their food technology skills. Dishes may vary from crêpes to churros or French onion soup to paella.

We hope to start the club after the February half term. Initially, it will run on Thursdays after school, from 3.10 until 4.30 at the latest, depending on the complexity of the dish. However, if there is a lot of interest, this may be subject to change. Pupils will be given the recipe in the club the week before, giving them a week to source and buy their ingredients. During this time, they will be able to use their language skills to translate the different ingredients needed.

If your child is interested in attending the Language Cookery Club then please fill in the statement of interest below and return it into the blue box next to Learning Support by Friday 27<sup>th</sup> January.

If you have any questions, please do not hesitate to get contact me via Parentline.

Kind regards,

Mrs J Smith  
Teacher of French

## Application form for the Language Cookery Club

All activities that are not a necessary part of the curriculum are subject to the Passport to Privilege (P2P) protocol, which recognises and rewards good effort and behaviour. The principles of the Passport to Privilege are regularly outlined by progress leaders through assemblies and displayed on posters in form rooms. It is clear that a positive attitude to behaviour and studies will result in the opportunity to participate in events and activities organised by Ripley colleagues.

I accept the P2P principles and register my interest for my son/daughter
