ADMISSIONS POLICY 2024 - 2025

Applications for admission to Year 7 in September 2024 should be made online between 1st September 2023 and 31st October 2023 via the Local Authority website www.lancashire.gov.uk/schools. Parents **must** complete the Local Authority electronic form, stating three preferences. It is not normally possible to change the order of your preferences for schools after the closing date.

Parents who wish their application to this Church of England Academy to be considered against criteria 2 and/or 3 below **should also** complete our supplementary form. The supplementary form is available from the Academy, and should be returned to the Academy by 31st October 2023. If the Academy is oversubscribed, a failure to complete the supplementary form may result in your application for a place being considered against lower priority criteria as the Governing Body will have no information upon which to assess the worship attendance.

The Academy is not able to offer places beyond its admission number (270). Offers of places under the equal preference system will be sent to parents on 1st March 2024 by the Local Authority. Parents of children not admitted will be offered an alternative place by the Local Authority.

Admission procedures

Arrangements for admission have been agreed following consultation between the Governing Body, the Diocesan Board of Education, Local Authorities and other admissions authorities in the area. **The number of places available for admission to Year 7 in September 2024 will be a maximum of 270.** The Governing Body will not place any restrictions on admissions to Year 7 unless the number of children for whom admission is sought exceeds this number.

The Governing Body operates a system of equal preferences under which they consider all preferences equally and the Local Authority notifies parents of the result. In the event that there are more applicants than places, after admitting all children with an Education, Health and Care Plan naming this Academy, the Governing Body will rank applications using the criteria below, which are listed in order of priority:

1. Looked After and Previously Looked After Children.

'Looked After' means that the child is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions at the time of making an application to the school. 'Previously Looked After Children' are children who were Looked After, but immediately after being Looked After became subject to an adoption, residence or special guardianship order, and includes previously looked after children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

2. Children of staff

This applies to all staff, full and part time, who are employed on a permanent contract of employment in either or both of the following circumstances:

- a) where the member of staff has been employed at Ripley St Thomas for two or more years at the time at which the application for admission is made, and/or
- b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

3. Places will then be ranked using the following points system which reflects the fact that Ripley St Thomas is a Voluntary Aided Church of England Academy:

Points will be given:

- a) for attendance by the parent or child* at public worship (or, in the case of a child, Sunday School) at a Trinitarian church which is a member of one of the following on 1st September in the year of application for admission to the Academy: Churches Together in England, Free Churches Group, Evangelical Alliance, North West Partnership of Churches, or is included on a list of other churches approved by the Governing Body (to a maximum of 30 points as detailed in the table below). Attendance must be current at the point of application.

** This **does not** include attendance with school where this is part of the normal school day.*

	Over 2 years	Between 1 and 2 years	Between 6 months and 1 year
Weekly/Fortnightly	30	25	10
Once per month	20	15	5

The list of Churches Together in England can be found on the website www.cte.org.uk. Membership of the equivalent bodies in Northern Ireland, Scotland and Wales are accepted. Members of the Free Churches group can be found at www.freechurches.org.uk. Members of the Evangelical Alliance can be found at www.eauk.org. Members of the North West Partnership of Churches can be found at www.northwestpartnership.com.

Other churches approved by the Governing Body are: Capernwray Evangelical, Kings Community Church, Morecambe Community Church, Morecambe Full Gospel Church.

Church attendance must be verified by 31st October 2023 through the submission of a supplementary form, which is available from the Academy and which must be completed by the parent together with the appropriate member of the clergy and counter-signed by the latter. Separate supplementary forms should be completed for all churches attended on a regular basis in the last three years.

Church closure because of Covid-19

In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to the regularity of attendance will be based on the period(s) when the church or alternative premises have been available for public worship.

Clergy should assume that attendance for the closed period would have continued to be in line with the patterns observed before or after closure, and should include the period of closure in the overall period of attendance.

- b) to children who attend any Church of England Primary School at the point of application (10 points).
- c) to siblings of those children who are on roll at Ripley St Thomas Academy in Years 7 to 12 at the point of application (5 points). This is a one-off points allocation regardless of the number of siblings currently on roll. Note: "sibling" includes step, half, foster and adopted siblings living at the same address.

Where two or more applicants achieve the same number of points under criterion 3, then the distance between the Ordnance Survey address points for the Academy and the home measured in a straight line will be used as the final determining factor, nearer addresses having priority over more distant ones. This address point is within the body of the property and usually located at its centre.

- 4. **In the event that places remain unfilled after the application of criteria 1 - 3, remaining places will be ranked according to the straight line distance from home to the Academy, nearer addresses having priority over more distant ones.**

For the September 2023 intake there were 929 applications (338 first preference, 355 second preference and 355 third preference) for 270 places.

3 children with an Education, Health and Care Plan naming the school were admitted.

The Admissions Committee applied the admissions criteria and offered the remaining places to:

7 children under criterion 1

4 children under criterion 2

256 children under criterion 3

0 children under criterion 4

The last child to be offered a place achieved 20 points and lived at a distance 3.6183 miles from school.

Late applications for admission

Where there are extenuating circumstances for an application being received after the last date for applications, and it is before the Governing Body has established their ranked list, then it will be considered alongside all the others. Otherwise, applications which are received after the last date will be considered after all those received on time.

Waiting list

Where we have more applications than places, the admissions criteria will be used. Children who are not admitted will have their name placed on a waiting list. The names on this waiting list will be in the order resulting from the application of the admissions criteria. Since the date of application cannot be a criterion for the order of names on the waiting list, late applicants for the school will be slotted into the order according to the extent to which they meet the criteria. Thus it is possible for a child who moves into the area later to have a higher priority than one who has been on the waiting list for some time. If a place becomes available within the admission number, the child whose name is at the top of the list will be offered a place. This is not dependent on whether an appeal has been submitted. The waiting list will operate until 31 December 2024.

Address of pupil

The address used on the school's admission form must be the current one at the time of application, i.e. the family's main residence. If the address changes subsequently, the parents should notify the school. Where the parents live at different addresses, and there is shared parenting, the address used will normally be the one where the child wakes up for the majority of Monday to Friday mornings. If there is any doubt about this, then the address of the Child Benefit recipient will be used. Parents may be asked to show evidence of the claim that is being made for the address, e.g. identity cards of various sorts showing the child's address as the one claimed. Where there is dispute about the correct address to use, the Governing Body reserves the right to make enquiries of any relevant third parties, e.g. the child's GP, Council Tax Office, Electoral Registration Officer, utilities provider. For children of UK Service personnel and other Crown Servants returning to the area proof of the posting is all that is required.

Non-routine (In-Year) admissions

In-year admission is the process of applying for a school place during the school year. Any applications for the intake made after the start of the autumn term will be treated as an in-year application.

The in-year admission process is managed by the school. Parents are required to complete the in-year application form, which is available from the school website.

Where a place cannot be secured, parents will be offered a legal right of appeal to an independent appeal panel.

Lancashire County Council administers the appeals process on behalf of the school. Parents can complete the school's [appeal form](#) on Lancashire County Council's website.

Admission of children outside their normal age group

Parents may wish to seek a place for their child outside of their normal age group, for example, to a higher year group if the child is particularly able academically or to a lower year group if the child has experienced problems such as ill health. Parents make a formal request in writing with any supporting evidence they wish to be considered.

- Requests for early/delayed entry into Year 7 should be made to the Local Authority before 31 October in the previous academic year in order to give sufficient time for the case to be considered prior to the offer of school places on 1 March.
- Requests for in-year admission outside of the normal age group should be made on the normal in-year application form.

Appeals for routine admissions

Where the governors are unable to offer a place because the school is over-subscribed, parents have the right to appeal to an independent admission appeal panel, set up under the School Standards and Framework Act, 1998, as amended by the Education Act, 2002. Parents will have the opportunity to submit their case to the panel in writing and also to attend in order to present their case. **Please use the Local Authority weblink for appeals: [Lancashire County Council Admission Appeals](#).** This should be submitted **within 20 school days of receiving the letter refusing a place.**

You will normally receive 14 days' notice of the place and time of the hearing. Where possible, the appeals will be heard in person although some are now heard through a digital format.

Fraudulent applications

Where the Governing Body discovers that a child has been awarded a place as the result of an intentionally misleading application from a parent (for example a false claim to residence or of involvement in a place of worship) which effectively denies a place to a child with a stronger claim, then the Governing Body is required to withdraw the offer of the place. The application will be considered afresh and a right of appeal offered if a place is refused.

Sixth Form Admissions

Each year, up to 220 students are admitted to the Sixth Form. In each year group, up to 80 of these may be external applicants.

Students should apply online via the school website: <https://apply.thesixthform.com/> after the sixth form open evening.

In the event that applications exceed the number of places available, after admitting all children who meet the entry requirements and have an Education, Health and Care Plan naming the school, Sixth Form places will be allocated in the following priority order:

1. Looked after children and previously looked after children (please see point 1 on page 1 for definition) who meet the entry requirements
2. Ripley St Thomas Church of England Academy Year 11 students who meet the entry requirements
3. Students from other schools who meet the entry requirements

The entry requirements for Sixth Form and the individual courses are published on the Sixth Form website <https://ripleystthomas.com/sixth-form>. GCSE results will be used as an over-subscription criterion should this prove necessary.

The admission number may be exceeded if demand for courses can be met.

Covid-19 closure of places of worship

In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to the regularity of attendance will be based on the period(s) when the church or alternative premises have been available for public worship.

Clergy should assume that attendance for the closed period would have continued to be in line with the patterns observed before or after closure, and should include the period of closure in the overall period of attendance

The information on this form will be a key factor in determining admissions to the school. It is the responsibility of the parent to complete the form in the presence of their Vicar, Priest etc. THE INCUMBENT SHOULD THEN COUNTERSIGN IT AND RETURN IT TO THE SCHOOL BY 31 OCTOBER 2023.

Please note that separate supplementary forms should be completed and attendance claims verified by the appropriate incumbent or church authority for all Churches that you have attended on a regular basis in the last 3 years.
