

21st March 2023

Dear Parents/Carers,

I am writing to invite you to a Year 13 Parents' Information Evening on Thursday 30th March at 7pm in the Phythian Hall in the Sixth Form Centre.

The purpose of this evening is to provide information about:

- the protocols and procedures which students need to follow for the external exams this summer term
- what to do in the event of, for example, illness
- ways in which you can support your child through this intensive period of revision and exams
- brief details of how and when exam results in August will be released

We are also pleased that we will have a speaker from Lancaster University with us who will give information about the process of applying for, and paying back, student finance, which all students applying to university should be applying for now. Household income determines the level of financial support your child is eligible to receive.

Parents of students not applying to universities will have the opportunity to leave between the talks.

We do hope you are able to attend this information evening so you will feel better equipped to support your child at this important stage in their academic life.

Yours faithfully

Denise Apsey
Head of Year 13
