

Welcome

Dear Students and Parents,

Thank you for your interest in the Sixth Form at Ripley St Thomas.

The evening includes keynote talks from the Head of Sixth Form, which will outline the nature of sixth form study, the academic and enrichment opportunities available to you and how to make an application to the Sixth Form.

Students in the Sixth Form take three subjects and it will be helpful for you to study this guide in order to plan your route through the subject sessions. Each session consists of a ten minute presentation. Additional course details are available on the sixth form section of the school website.

Members of the Sixth Form tutor team will be available in the Sixth Form reception area throughout the evening to answer any specific questions you may have.

We regret that there will be no parking available on site during the evening.

We look forward to meeting you.

MR M SIM
HEAD OF SIXTH FORM
