## **ADMISSIONS POLICY 2021 – 2022** **(This policy relates to the current Year 9 cohort)**

Parents who wish their application to this Church of England Academy to be considered against criteria 2 and 3 below **should also** complete our supplementary form. The supplementary form is available from the school. If the school is oversubscribed, a failure to complete the supplementary form may result in your application for a place in this school being considered against lower priority criteria as the Governing Body will have no information upon which to assess the worship attendance.

### **Admission procedures**

Arrangements for admission have been agreed following consultation between the Governing Body, the Diocesan Board of Education, Local Authorities and other admissions authorities in the area. **The number of places available for admission to this year group is a maximum of 280.** The Governing Body will not place any restrictions on admissions to the year group unless the number of children for whom admission is sought exceeds this number.

The Governing Body operates a system of equal preferences under which they consider all preferences equally. In the event that there are more applicants than places, after admitting all children with an Education, Health and Care Plan naming this school, the Governing Body will allocate places using the criteria below, which are listed in order of priority:

#### **1. Looked After and Previously Looked After Children.**

'Looked After' means that the child is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions at the time of making an application to the school. 'Previously Looked After Children' are children who were Looked After, but immediately after being Looked After became subject to an adoption, residence or special guardianship order, and includes previously looked after children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

#### **2. Children of staff at the school**

This applies to all staff, full and part time, who are employed by this school on a permanent contract of employment with the Academy in either or both of the following circumstances:

- a) where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or
- b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

#### **3. Places will then be allocated using the following points system which reflects the fact that Ripley St Thomas is a Voluntary Aided Church of England Academy:**

##### **Points will be given:**

- a) for attendance by the parent or child\* at public worship (or, in the case of a child, Sunday School) at a Trinitarian church which is a member of one of the following on 1<sup>st</sup> September in the year of application for admission to the school: Churches Together in England or Free Churches Group, the Evangelical Alliance, the North West Partnership of Churches, or is included on a list of other churches approved by the Governing Body (to a maximum of 30 points as detailed in the table below). Attendance must be current at the point of application.

*\* This **does not** include attendance with school where this is part of the normal school day.*

	<b>More than 2 years</b>	<b>Between 1 and 2 years</b>	<b>Between 6 months and 1 year</b>	<b>Less than 6 months</b>
<b>Weekly/Fortnightly</b>	30	25	10	0
<b>Once per month</b>	20	15	5	0
<b>Occasionally</b>	10	5	0	0

The list of Churches Together in England can be found on the website [www.cte.org.uk](http://www.cte.org.uk). Membership of the equivalent bodies in Northern Ireland, Scotland and Wales are accepted. Members of the Free Churches group can be found on the website [www.freechurches.org.uk](http://www.freechurches.org.uk). Members of the Evangelical Alliance can be found on the website [www.eauk.org](http://www.eauk.org). Members of the North West Partnership of Churches can be found on the website [www.northwestpartnership.com](http://www.northwestpartnership.com).

Other churches approved by the Governing Body are: Capernwray Evangelical, Kings Community Church, Morecambe Bay Christian Fellowship, Morecambe Community Church.

Information concerning Church attendance must be verified through the submission of a Supplementary Form, which is available from the Academy and which must be completed by the parent together with the appropriate member of the clergy and counter-signed by the latter.

#### **Church closure because of Covid-19**

In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to the regularity of attendance will be based on the period(s) when the church or alternative premises have been available for public worship.

Clergy should assume that attendance for the closed period would have continued to be in line with the previously observed pattern, and should include the period of closure in the overall period of attendance.

The church building is classed as closed for public worship unless it is open for unrestricted and fully public worship (ie restricted worship is not public worship).

- b) to children who attend any Church of England Primary School at the point of application (10 points).
- c) to brothers and sisters of those children who are currently on the school roll and who will be continuing into the next academic year (5 points). This is a one-off points allocation regardless of the number of siblings currently on roll. Note: "brother" or "sister" includes step, half, foster and adopted siblings living at the same address.

Where two or more applicants achieve the same number of points under criterion 3, then the distance between the Ordnance Survey address points for the school and the home measured in a straight line will be used as the final determining factor, nearer addresses having priority over more distant ones. This address point is within the body of the property and usually located at its centre.

4. **In the event that places remain unfilled after the application of criteria 1 - 3, remaining places will be allocated according to the straight line distance from home to school**, nearer addresses having priority over more distant ones.

#### **Address of pupil**

The address used on the school's admission form must be the current one at the time of application, i.e. the family's main residence. If the address changes subsequently, the parents should notify the school. Where the parents live at different addresses, and there is shared parenting, the address used will normally be the one where the child wakes up for the majority of Monday to Friday mornings. If there is any doubt about this, then the address of the Child Benefit recipient will be used. Parents may be asked to show evidence of the claim that is being made for the address, e.g. identity cards of various sorts showing the child's address as the one claimed. Where there is dispute about the correct address to use, the Governing Body reserves the right to make enquiries of any relevant third parties, e.g. the child's GP, Council Tax Office, Electoral Registration Officer, utilities provider. For children of UK Service personnel and other Crown Servants returning to the area proof of the posting is all that is required.

### **Non-routine (In-Year) admissions**

Any application for a school place on or after the first day of the academic term will be considered as an in-year application. Any application for another age group will also be considered as an in-year application. Parents wishing their child to attend this Academy should complete the in-year application form which is available to download from the school's website and return it with the supplementary form included with the admissions policy for the relevant year group (also available on the school's website) to the Admissions office at the Academy or email to [admissions@ripley.lancs.sch.uk](mailto:admissions@ripley.lancs.sch.uk). The Academy will consider the application and if there is a place in the appropriate year group will arrange for the admission to take place.

Please note that you cannot re-apply for a place at a school within the same school year unless there has been relevant, significant and material change in the family circumstances.

### **Waiting list**

Where we have more applications than places, the admissions criteria will be used. Children who are not admitted will, on request, have their name placed on a waiting list. The names on this waiting list will be in the order resulting from the application of the admissions criteria. Since the date of application cannot be a criterion for the order of names on the waiting list, late applicants for the school will be slotted into the order according to the extent to which they meet the criteria. Thus it is possible for a child who moves into the area later to have a higher priority than one who has been on the waiting list for some time. If a place becomes available within the admission number, the child whose name is at the top of the list will be offered a place. This is not dependent on whether an appeal has been submitted. The waiting list will operate until the end of the academic year.

### **Appeals**

Where the Governors are unable to offer a place because the Academy is oversubscribed parents have the right to appeal to an independent admission appeal panel set up under the School Standards and Framework Act, 1998, as amended by the Education Act, 2002. Parents will have the opportunity to submit their case to the panel in writing and also to attend in order to present their case. **Parents/guardians should complete the online appeal form** <https://www.lancashire.gov.uk/children-education-families/schools/appeal-against-an-admission-decision/secondary-school-appeals/> **within 20 school days of receiving the letter refusing a place.** You will normally receive 14 days' notice of the place and time of the hearing.

Please note that this right of appeal against the Governors' decision does not prevent you from making an appeal in respect of any other school.

### **Fraudulent applications**

Where the Governing Body discovers that a child has been awarded a place as the result of an intentionally misleading application from a parent (for example a false claim to residence or of involvement in a place of worship) which effectively denies a place to a child with a stronger claim, then the Governing Body is required to withdraw the offer of the place. The application will be considered afresh and a right of appeal offered if a place is refused.
