**Week Commencing 13 May**

Charlie Davis is in pieces.

At seventeen, she's already lost more than most people lose in a lifetime.

She doesn't have to think about her father or what happened under the bridge.

Her best friend, Ellis, who is gone forever.

Or the mother who has nothing left to give her.

Kicked out of a special treatment center when her insurance runs out, Charlie finds herself in the bright and wild landscape of Tucson, Arizona, where she begins the unthinkable: the long journey of putting herself back together.
