

## Year 11 transition to Sixth Form – Trabajo de verano

¡Enhorabuena! You have chosen an A-Level subject that is going to take you on so many exciting adventures. To make the transition from GCSE to A-level we would like you to complete the following tasks:

1. **Grammar:** it is important to revise and improve your grammatical knowledge with a particular focus on verbs. Create an account on <https://conjuguemos.com/activities/spanish/verb/1> and work your way through the different tenses

2. **Vocabulary:** at A level we will work hard to expand your Spanish vocabulary very quickly. Join our class group here: <https://quizlet.com/join/TzHbvNAWK> and work your way through the various study sets

3. **Culture:** a big part of the A level course is finding out about Spanish culture. We would like you to watch a Spanish TV series \*Warning – some of the series below have adult content and you may prefer to choose another Spanish series if this offends you\*

Please choose from the following:

- a. Money Heist (La casa de papel) - Netflix
- b. Cable Girls (Las chicas del cable) - Netflix
- c. Who killed Sarah (¿Quién mató a Sara?) – Netflix
- d. High Seas (Alta mar) - Netflix

(Make sure you are watching in Spanish but with English subtitles)

Assessed Task: Once you have watched one series, please write a short review (200 words) in Spanish

Hopefully, you'll have enjoyed the series so much you'll continue with the next one!

4. **Music:** Listening to Spanish music is a brilliant way to improve your listening, as well as learning about Hispanic culture

Assessed Task: Research a current Spanish artist to share with the rest of the group in September

5. **Current Affairs:** during the A-level course you will find out about life in the Hispanic world and that includes current affairs.

Assessed Task: Pick an interesting current affair and be ready to present to the rest of the class in English in September
