Part A: Pupil premium strategy plan

Statement of intent

Our aim is to provide all students with the opportunity to achieve their potential. We employ strategies and interventions aimed at removing any barriers to learning and personal development, caused by deprivation, personal circumstances or learning gaps. We ensure all students have full access to a wide-ranging academic curriculum and rich co-curricular provision. In this way we aim to develop well rounded individuals who achieve their ambitions and go on to flourish in life.

It is our intention that children in receipt of Pupil Premium achieve to the best of their ability, addressing any barriers to learning that may present themselves.

It is our intention that children in receipt of Pupil Premium have high levels of attendance and receive support for this where it is necessary.

It is our intention that children in receipt of Pupil Premium have as many opportunities as possible to experience co-curricular activities and educational trips, regardless of barriers to this.

Our ultimate objective is to enable all of these young people to flourish spiritually, academically and personally so they can live life in all its fullness.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	To improve the reading and writing proficiency of pupils identified in early testing as not currently meeting age-related expectations.
2	To reduce the gap in Attainment 8 and Progress 8 between children in receipt of the Pupil Premium and those who are not.
3	To address any attendance issues – particularly those at risk of being at the persistent absence level.
4	To enable engagement with co-curricular activities and educational trips, addressing financial barriers where needed.
5	To reduce the proportion of children in receipt of Pupil Premium who are at risk from being suspended from our school.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Pupils in receipt of Pupil Premium funding achieve in line with expectations.	Reduce the gap in Attainment 8 and Progress 8 between children in receipt of the Pupil Premium and those who are not.
Attendance of children in receipt of the Pupil Premium to be in line with their peers – particularly in KS4.	Reduce the gap in attendance rates between children in receipt of the Pupil Premium and those who are not.
Increased number of children in receipt of the Pupil Premium attending co-curricular activities and educational trips.	Statistical data to demonstrate an increase in the uptake of co-curricular activities and targeted educational trips for children in receipt of the Pupil Premium.
Further develop a programme of early intervention behaviour support.	Reduction in the percentage of children in receipt of the Pupil Premium who are suspended as a proportion of all incidents resulting in this sanction. Ensure early intervention for support with behaviour.

Activity in this academic year

This details how we intend to spend our pupil premium **this academic year** to address the challenges listed above.

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the past four academic years.

Due to COVID-19, performance measures have not been published for 2020 to 2021, and 2020 to 2021. The data for these two years is based upon the CAG/TAG grades awarded. Progress 8 figures for these years are subsequently indicative based upon the large collaborative data set for all schools nationally who use SISRA software.
