Ripley Scholarships

To celebrate 160 years of our Outstanding School, we are offering pupils the opportunity to become a Ripley Scholar. From our inception, Ripley has been committed to serving the community and our school value of Service continues to underpin everything we do.

Ripley Scholarships are worth up to £1,000 and are available in all Sixth Form subjects because we want our highly talented students to excel just as much in photography, music and art as they do in science, mathematics and history.

Students can apply to spend their Scholarship funding on items such as an IPAD, text books and a travel pass. These items will be purchased through school then we achieve best value for money.

Students will need to achieve at least 3 x 7+ grades at GCSE including in the subject of their Scholarship. Those who have the necessary predicted grades and a successful application will be given a conditional offer to become a Ripley Scholar.

If you would like to know more about how to become a Ripley Scholar and be among the first to receive an application pack, please complete an Expression of Interest in the main Dining Room on Open Evening.

Our vision

We aim for all members of our

academically and personally so that they

*'I have come in order that you might
have life - life in all its fullness.'*
