In this booklet, there are a range of questions from key topics that you will have seen in year 6 and will be helpful for the start of year 7.

Each topic has three sections:

- Introduce questions are warm-up questions to practise the basics.
- **Strengthen** questions build your knowledge in key concepts.
- **Deepen** questions are more challenging reasoning and problem-solving questions.

Use the grid below to keep track of your progress in each topic. Tick the sections you have attempted. If you use Sparx Maths you can find even more questions by searching for the Sparx topic codes in Independent Learning.
