What does the Safeguarding Team do?

Listen and help if you are worried or need someone to talk to.

Keep pupils safe in school, at home, and online.

Support wellbeing and mental health when things feel difficult.

Work with families and other services to get the right help for young people.

Help prevent bullying and make sure everyone is treated with respect.

Teach pupils how to stay safe, make good choices, and look after themselves.

Make school a safe, caring place where everyone feels valued and supported.

Red Box: Use the confidential Red Box outside the Maths Office to report safeguarding concerns or share worries about your own safety or the safety of others.

QR Code: If something has happened to you or another pupil, in or out of school, scan the QR code to let the safeguarding team know.
